

Ferrari Watches

Scuderia Ferrari fans can now show their support for the team with a Scuderia Ferrari watch.

Scuderia Ferrari is a new watch brand for men and women which comprises bright, compelling, identifiable watch designs that take their inspiration from Scuderia Ferrari's revered racing team bringing their energy, excitement and bold sportive style to Ferrari Fans and watch enthusiasts.

The collection is inspired by the intricate design details found on Scuderia Ferrari racing cars.

Incorporating technological materials like scratch-resistant mineral crystals and high-tech composite cases, these timepieces are powered by precise quartz and automatic engines to deliver uncompromising performance.

Paying bold tribute to the Ferrari racing team's signature colour and emulating Scuderia Ferrari's pioneering footsteps in technological innovation, Scuderia Ferrari timepieces have super luminous red dial accents to enhance readability in low-light conditions.

With impactful collection names : Pit Crew, Lap Time, Race Day, Paddock, Scuderia, and Heritage, and all the watches featuring the iconic Prancing Horse logo, the Scuderia Ferrari Watches capture the "straight to the racetrack" brand DNA, and conjure the thrill of powerful Ferrari Grand Prix single-seaters on the Fiorano Circuit.

The Scuderia Ferrari Watches launch models features 49 styles of watch. Priced from £75 - £395 (RRP) they range from sporty rubber strap styles through to elegant, classic Chronographs and will appeal to all ages.

With a selection of children's models available too, these affordable watches are a great buy for the Ferrari owner and fan.

Scuderia Ferrari Watches are available in many high street jewellers and watch retailers.
